Description of the Type Design Change:

Installation of Oilamatic Preoiler system in accordance with FAA approved Oilamatic, Inc. Drawing List No. BE17400, Revision N/C, dated December 1, 1996, or later FAA approved revisions.

Limitations and Conditions:

1. FAA approved Airplane Flight Manual as noted on page 3, or later FAA approved revisions are required.
2. Compatibility of this design change with previously approved modifications must be determined by installer.
3. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.
4. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 9, 1997

Date reissued:

Date of issuance: February 27, 1997

Date amended: March 3, 2003
